### Home Features

The Arlington floor plan offers a well-balanced combination of open-concept living and private spaces. At its center is a spacious great room that seamlessly connects to the kitchen and dining area—ideal for gatherings, daily routines, and everything in between.

The master suite includes a walk-in closet, dual vanities, and an optional tiled shower. The two additional bedrooms share a full bath, making the layout perfect for children, guests, or a home office setup. A covered front porch welcomes visitors to the home.
